PROFESSIONAL SUMMARY

Results-driven Premium Fashion Client Advisor and Brand Consultant with 4+ years of progressive experience in luxury and premium fashion retail (Fred Perry, DeFacto) across Egypt. Proven track record of exceeding ambitious KPI targets — achieving 157% of annual sales YTD — and growing Average Transaction Value by 40% through advanced clienteling techniques, luxury styling consultations, and personalized brand advisory. Twice recognized as Best Employee across two international organizations. Expert in full-cycle store operations: POS, ERP/SAP, visual merchandising, inventory control, loss prevention, and team leadership. Seeking a Client Advisor or Fashion Consultant role within a premium or luxury GCC fashion brand.

CORE COMPETENCIES

KEY ACHIEVEMENTS

- > Exceeded annual sales target by 157% YTD at Fred Perry — ranked top store in the region
- > Grew Average Transaction Value (ATV) by 40% through advanced clienteling techniques, luxury styling consultations, and strategic upselling
- > Best Employee Award — Fred Perry (4-time recipient) and DeFacto (12 consecutive months / annual award)
- > Maintained 99% stock accuracy across a high-volume fast-fashion retail environment
- > Trained and onboarded 5+ new staff members on POS, CRM, brand standards, and store operations

PROFESSIONAL EXPERIENCE

Senior Sales Associate (Acting Supervisor) · Fred Perry — Beside Group

Sep 2025 – Present | Cairo, Egypt

- > Drove store to region-best performance at 157% of annual sales target YTD; won Best Employee Award for the 4th consecutive time.
- > Grew Average Transaction Value (ATV) by 40% through advanced clienteling techniques, luxury styling consultations, and strategic upselling.
- > Supervised floor team of 4–6 associates: scheduling, task delegation, performance coaching, and brand compliance.

- > Implemented standardized luxury sales technique framework across the team, improving client interaction consistency and conversion rate.
- > Led high-impact visual merchandising (VM) resets in strict adherence to brand standards and seasonal guidelines for new store openings.
- > Managed loss prevention protocols, cash handling, opening/closing procedures, and daily sales reconciliation with zero discrepancies.
- > Maintained Units Per Transaction (UPT) above store benchmark through disciplined cross-selling across the full product range.
- > Analyzed daily and weekly sales reports in partnership with store leadership to identify deficient areas and execute targeted action plans.

Senior Sales Associate · DeFacto

Apr 2024 – Aug 2025 | Cairo, Egypt

- > Achieved 120% of assigned monthly KPIs consistently across a 17-month tenure in a high-traffic fast-fashion environment.
- > Recognized as Best Employee of the Month for 12 consecutive months — the only team member to achieve this, equivalent to Best Employee of the Year.
- > Managed full stockroom operations, maintaining 99% stock accuracy through systematic inventory replenishment and cycle counts.
- > Operated POS and CRM systems with full proficiency — processing transactions, returns, exchanges, and updating customer data.
- > Trained and onboarded 5+ new team members on sales techniques, POS, brand standards, and compliance procedures.
- > Coordinated shift planning and task delegation as acting team lead during supervisor absences.

Client Advisor · DeFacto

Jul 2022 – Apr 2024 | Cairo, Egypt

- > Delivered exceptional customer service, consistently exceeding individual daily sales targets.
- > Operated POS systems and ERP/SAP platforms for stock management, data entry, and inventory accuracy.
- > Applied visual merchandising principles to maintain strategic in-store product displays aligned with seasonal brand guidelines.
- > Managed cashiering, cash handling, and front-of-house operations with zero discrepancy record.
- > Built long-term client relationships and drove repeat visits through consultative selling, increasing basket size and loyalty program engagement.

EDUCATION

Bachelor of Business Administration (BBA)

Sep 2022 – Oct 2025

Thebes Academy, Cairo, Egypt | Focus: Business Analysis, Computer Information Systems, Accounting
